Dear [REDACTED],

Hope you are well.

Kindly excuse my tardy response. I have just been tied up with the work that is happening in Studholme Court and helping out at the Chalcots estate emergency amongst other things.

All of the residents, as we have mentioned to you before do very much value our green space here. Various reasons they treasure the green space include;

- The TRA events are held here
- Other events are held here-e.g. Residents childrens birthday parties
- The residents who do not have a garden use this area to relax in
- Residents use it to socialise with each other (e.g. older residents) -great for mental wellbeing
- Children play out here
- People enjoy picnics here
- The natural beauty of the area
- The trees help clean the air
- Residents exercise here
- It is great for nature and biodiversity
- Pleasant view
- Makes Residents feel happy

Many thanks,

[REDACTED]
